Fiberon Announces Partnership with Warren Trask Company for Composite Decking Distribution

September 28, 2011

NEW LONDON, N.C. – Fiberon, a leading manufacturer of PVC and composite decking and railing products, announces its partnership with Warren Trask Company. A leading wholesaler of high quality softwood materials and specialty building products, Warren Trask Company will provide distribution in New England, Hudson Valley and Long Island, New York markets. Fiberon product lines offered include Fiberon Horizon® and Pro-Tect™ composite decking, Fiberon Outdoor Flooring™ PVC decking, and Horizon® Plus and Inspirations® railing.

"Fiberon composite decking and railing products align with our commitment to represent high quality building materials, offering our customers the most innovative in composite decking products with the best aesthetics in the industry, said Vincent Micale, President, of Warren Trask."

"Warren Trask is a company with strong, loyal relationships with the dealer community in the New England market. Their reputation for servicing their customers and a strong sales record for specialty building products will add value to further our growth in this market, said Bill Ross, Vice President of Sales, Fiberon.

Fiberon Horizon and Pro-Tect decking products both feature PermaTech technology, providing a 25 year stain and fade warranty on Horizon decking and a 20 year stain and fade warranty on Pro-Tect decking. For more information on these or other Fiberon products, visit www.fiberondecking.com.

About Fiberon

Fiberon is a leading manufacturer of PVC and composite decking and railing products used in homes and light commercial construction across North America and Europe. Through extensive product development and leading-edge manufacturing capabilities, Fiberon created the benchmark for innovative, alternative outdoor living products. Fiberon is proud to be a sponsoring member of the North American Deck and Railing Association (NADRA), whose mission is to provide a unified source for professional development and a voice for code development for the decking and railing industry in North America. Fiberon was founded in 1997 and is privately owned with operations in North Carolina and Idaho. For more information, visit www.fiberondecking.com and follow Fiberon on [Facebook](#), [Twitter](#) and [YouTube](#).

Warren Trask Company

Since 1924, Warren Trask has been one of the preeminent building materials wholesalers serving the Northeast. Based in Stoughton, Mass., their operations encompass over seven acres, a rail spur, and millions of board feet of protected storage capacity. Forest products are purchased directly from over 75 mills throughout the world. The Warren Trask Company specializes in high quality lumber and building material products.
