**FIBERON® ANNOUNCES NEW DISTRIBUTION PARTNERSHIP WITH TRIMCO MILLWORK**

*New agreement with Salt Lake City-based Trimco Millwork expands distribution for  
Fiberon composite decking and railing solutions.*

**NEW LONDON, N.C.** (August 19, 2009)—Fiberon®, a leading manufacturer of composite decking, PVC decking and composite railing and fencing solutions, announces a new partnership with Trimco Millwork to distribute Fiberon brand decking and railing. Trimco serves Arizona, Colorado, Nevada, New Mexico and Utah.

“The focus on superior customer service and commitment to offer innovative specialty products to their customers aligns with Fiberon’s strategic direction,” said Carol Kelly, Western Division Sales Manager for Fiberon. “Their market penetration in and around the Four Corners area will allow contractors and their clients in that region to add the beauty and durability of Fiberon products to their projects.”

“We’re excited to add Fiberon to our product lineup because of how well it fits with our high-quality standards,” said Jim Currence, general manager of Trimco Millwork’s Salt Lake City branch. “We’re known for stocking reputable, reliable products and Fiberon’s commitment to innovation is consistent with what our customers expect.”

Trimco will stock Horizon™, Tropics™ and Professional™ composite decking and Professional™ composite railing. Horizon composite decking offers the highest level of mold, stain, fade and scratch resistance with its PermaTech™ surface innovation and is the only composite decking in the alternative decking category with a 10-year stain and fade resistance warranty.

Fiberon professional products are sold nationwide to professional contractors and dealers through a national network of distributors like Trimco. To learn more, visit [www.fiberondecking.com](http://www.fiberondecking.com) or call **1-800-573-8841**.

**About Fiberon**

Fiberon is a leading manufacturer of composite and PVC decking, railing and fencing products used in homes and light commercial construction across North America. Part of the Fiber Composites, LLC family, the Fiberon brand product line is designed specifically for professional contractors. Fiberon’s polymer chemists and extrusion professionals employ the latest technology to constantly innovate, using the finest raw materials coupled with leading manufacturing processes to ensure best-in-class quality. The company was founded in 1997 and is privately owned with operations in North Carolina and Idaho.

**About Trimco**

Trimco Millwork is a specialty wholesaler located in the intermountain region with locations in Boise, Idaho, Salt Lake City, Utah, and Denver, Colorado. Trimco Millwork strives to be the first choice supplier for our customer's millwork and finishing product needs. Our skilled employees, each with a desire to excel, will provide quality products at competitive prices and deliver superior service to build lasting relationships with customers and suppliers.
